## INFO SHEET VOLUNTEERING COUNSELING FOR UKRAINIAN REFUGEES

## Volunteer counselors for Ukrainian refugees in psychosocial counseling wanted

If you would like to support and counsel children, adolescents and their caregivers from Ukraine, we are looking for you! Be part of a well-established counseling team and make a valuable contribution to the integration of Ukrainian refugees.

We are looking for Russian or Ukrainian speaking professionals to support us in counseling children, adolescents and their caregivers on a voluntary, unpaid basis. The counseling service is exclusively digital, so we depend on you having a PC and being trained in its use.

Whats-App in Russian or Ukrainian language  Mediation of contacts to specialized agencies  The consultations will probably take place on two weekdays during off-hours.  We can only announce the duration and number of assignments after reviewing the applications received.  What profile do you bring to the table?  Completed bachelor's degree in psychology  Completed training in psychotherapy or in training  Completed bachelor's degree in social work or social pedagogy  Experience in counseling children, adolescents and adults  Very good language skills in Russian and / or Ukrainian  Ideally, you also have language skills in German or English  Secure PC user skills for digital counseling  Socially competent, resilient, committed
